Amigos Charity

This month Rotary presented a cheque for £500 to a fantastic charity Amigos...

Amigos is a charity which supports Ugandans to work their way out of poverty with dignity. Their approach to ending poverty is special. A powerful mix of education, vocational training, practical farming and emotional support is changing the future for thousands of Ugandan families. Amigos vision is for a confident and thriving rural Uganda where no one goes to bed hungry. Their mission is to give families the hope and the means to live off their own land and set up small businesses to revolutionise their futures.
