Rotary Books

The book fund for the calendar year 2013 amounted to £797.46, making the total amount since fund's commenced in 2005, £250 short of £10,000.

I would like to thank Club Members for their support in supplying books throughout the year. I make no apology for repeating what has been said before that were it not for the unstinting efforts of Members to find sources of books we would not be able to continue.

This year's total is lower than those in previous years which is a reflection

that holiday money has been tighter and online reading, such as kindle, has affected sales. Nevertheless, with your support, I feel that it is worth continuing.

All of the money goes to the Community and Vocational fund, to help with local causes.

BUS ART

ROTARY BOOKS

As in previous years we began 2014 with our annual New Years Day Walk...

Unfortunately the weather was not on our side this year and the walk had to be cancelled. Lunch still went ahead in the cosy surroundings of Woolacombe Bay Hotel. Thanks go to Garry Dadds for organising the day and to all the staff at Woolacombe Bay Hotel who looked after us so well.
