Ball Race 2014

This years Ball Race held at Heanton Street took place on Friday 22nd August 2014.

The balls were released early evening and the winning balls were caught in the 'prize traps' at the bottom of the hill. The ball race still proves to be a successful event organised by rotary and the funds raised for 2014 totalled over £500. Thanks goes to all those who helped at this years event and to the newly opened SQ Bar who provided sponsorship.
